Gustav Gille

Gothenburg|gustav.gille@gmail.com|0709327207|www.gustavgille.com

PROJECTS

- gustavgille.com

  Successfully launched a VPS from Germany with HTTPS and SSL and connected it to my own domain.

- [ClaudesLens](#), BSc thesis

  Theorize through iterated gaussian noise on same guess me and my peers believe we improved the certainty of said guess, creating appropriate measurements for quantifying a NN's uncertainty.

- Fourier Series approximations

  Implemented Fourier series regarding the movement of a beam after a weight on it is removed. Project can be found on my website.

EDUCATION

- IT bachelor's in mathematics 21-24   Chalmers University of Technology.
- Master's in mathematical engineering 24-ong.   Chalmers University of Technology.

EXPERIENCE

- Speaker for IT's recruitment group 23-24   Spoke at large event at Chalmers.
- TA in Fundamental Computer science 23   Taught students, graded.
- Store worker (seller) Bauhaus 23-24   Sell machinery, tile etc. (>20.000kr).

PROGRAMMING

4 Years	Python	Simulations, Algorithms, plotting, LeetCode, differential equations.
2-3 Years	JavaScript, HTML, CSS, SQL, API, C, Assembler, Java, MATLAB	Fire tracking Website, own Website, Games, Algorithms, Low Level progr.
